

KNS Motor Oil SB

KNS Motor Oil SB is a gasoline motor oil produced by combining high-quality synthetic and paraffinic base oils suited to today's technology additives that meet ILSAC GF-5 & API SN PLUS performance.

Features

Excellent Protection: It protects the engine against wear during high temperatures, allowing the engine to remain within the initial manufacturing tolerances.

High Engine Efficiency: It provides the best efficiency from the fuel and increases the yield of the engine. It reduce the formation of sediments least.

Anti – engine wear: It prevents engine wear during initial operation.

High Heat Oxidation and Foam Durability: While this product provides a long oil change interval, extends oil life. By neutralizing the resulting acid, it provides protection against the rust and prevents abrasions with the foam control.

Technical Specifications

SAE Class	-	10W30	10W40
*Kinematic Viscosity @100˚C, cSt	ASTM D 445	10,45	13,21
*Viscosity Index	ASTM D 2270	146	145
*Flash Point, ˚C	ASTM D 92	222	230

**Data given above are typical properties and may vary slightly.*

Performance

API SN PLUS ILSAC GF-5 GM Dexos 1
