

Ekovat Oil

Ekovat Oil is a high quality paraffinic based oil designed for use in high viscosity index ekovat systems.

Usage

It is used in refrigerators ekovat system, cooling system, air compressors.

Features

It prevents wear on the compressor and reduces maintenance costs.
It has high thermal stability. It is resistant to heat produced at the pressure side.
It protects against rust and oxidation.
It provides excellent circulation flow in the cooling system design.
Viscosity index is high. It has a wide viscosity range.
