SPEEDOL Since 1921 Lubricants

Generator Power LA SB K4 15W40

Generator Power LA SB K4 15W40 is a high-performance, synthetic blend diesel engine oil designed for generators and suitable for vehicles with particulate filters (DPF), helping to control wear, unwanted buildup, and emissions.

Usage

This is a synthetic blend diesel engine oil suitable for use in generators and heavy-duty engines meeting EURO 3 and higher standards, and for vehicles equipped with diesel particulate filters (DPF). Its low ash content makes it ideal for use in new generation diesel vehicles with SCR and DPF systems in EURO 3 engines.

Features

Low Exhaust Emissions: It is an environmentally friendly product thanks to its ability to reduce harmful exhaust gas emissions.
Low Ash Content: It helps to reduce diesel particulate accumulation in the diesel particulate filters.
Low Sulfur and Phosphorus Content: It helps to reduce the wear of catalytic converters in petrol vehicles.
High Dispersant Features: It distributing the particles of the smut and It prevents the formation of large smut deposits and damage to your engine, keeps the engine clean.
Fuel Economy: Due to the lubrication process is excellent, it provides fuel economy with superior friction characteristics.
High Heat and Oxidation Durability: Because of the antioxidant property, the oil is very slow in aging, and the service life of the oil is extended.
High Pumpability Feature at Low Temperature: Because of its very good pumpability at low temperatures, the initial operation extends the life of the engine by providing ease.

Technical Specifications

*Kinematic Viscosity @100°C, cSt	ASTM D 445	14,45
*Viscosity Index	ASTM D 2270	138
*Pour Point, °C	ASTM D 97	-33
*Flash Point, °C	ASTM D 92	232
*TBN, mgKOH/g	ASTM D 2896	11,2
