

Zeta 0W40

Zeta 0W40 is a full synthetic engine oil with excellent pressure resistance that meets Ford WSS-M2C937-A performance requirements, designed for the latest gasoline/diesel, turbocharged and catalytic converter engine technologies, providing excellent performance in all conditions.

Usage

Suitable for use under the most demanding driving conditions with the latest engine technologies, including turbocharged, direct-injection, gasoline and diesel (without DPF systems), and hybrid engines.

Features

Provides complete engine performance protection during moments of peak pressure.
Features advanced friction-reducing technology that helps save fuel.
Delivers rapid protection that reduces engine wear and deposit formation, even under demanding driving conditions.
Possesses exceptional cleaning power for dirty engines.

Technical Specifications

*Kinematic Viscosity @100˚C, cSt	ASTM D 445	13,70
*Viscosity Index	ASTM D 2270	180
*Pour Point, °C	ASTM D 97	-42

**Data given above are typical properties and may vary slightly.*
