

Pro Rider Plus 4T (VI-190)

Pro Rider Plus 4T (VI-190) is a ultra fully synthetic 4 stroke engine oil formulated with the high quality Tri-Synthetic Poly Alpha Olefins (PAO) and ester based synthetic for high performance sports motorbikes. It can be used safely in all air and water cooled motorcycles, including sports and scooter models, running on single-double, multi-cylinder,leaded and unleaded gasoline.

Features

It has a special formula for especially high performance motorcycles at high temperatures.

Performs the bike’s performance on the optimal level.

High quality fully synthetic engine oil meets API SN/ SM/SL and JASO MA2/MA can be used in all motorcycles recommended for these performances.

Provides unmatched engine protection and economy in all climatic and operating conditions.

Thanks to its fully synthetic structure, it provides excellent engine protection against risks inside the engine that may occur at high speeds.

Maximizes Efficiency - Greater resistance to extreme heat and oil thickening for peak efficiency.
