

Zeta V-PSA Plus X96 PAO 5W40

Zeta V-PSA Plus X96 PAO 5W40 is a fully synthetic gasoline engine oil manufactured for four stroke engines with high tecnology synthetic base oils and high performance additives. Increases engine's performance & power and supports fuel economy under most driving conditions. Can be used at API CF performanced diesel engines, too.

Usage

Modern gasoline engines, LPG and diesel engines are used safely for long periods of four seasons.

Features

Anti – Engine Wear: It prevents engine wear during initial operation.
Low exhaust emissions: It Reduces exhaust emissions and helps to protect the environment.
Low Temperature Operation: Provides easy starting even at low temperatures, extending engine life.
Excellent Protection: Protects the engine against wear at high temperatures, ensuring it remains within its original manufacturing tolerances.
Low Fuel Consumption: Keeps the engine clean, providing fuel economy.
High Heat Oxidation and Foam Durability: While this product provides a long oil change interval, extends oil life. By neutralizing the resulting acid, it provides protection against the rust. Prevents abrasions with the foam control.
Superior Engine Cleaning: Contains superior dispersant and detergent additives that keep the engine clean. Clean parts function better, resulting in higher performance.

Technical Specifications

*Kinematic Viscosity @100˚C, cSt	ASTM D 445	13,6
*Viscosity Index	ASTM D 2270	176
*Flash Point, ˚C	ASTM D 92	258
*Pour Point, °C	ASTM D 97	-42

**Data given above are typical properties and may vary slightly.*
