

SPX Taxi 20W50 LPG

SPX Taxi 20W50 LPG is a high performance multi-grade gasoline engine oil, formulated with high quality mineral base oils and special additives. In addition to gasoline engine vehicles, it can also be used in diesel engines, passenger and commercial cars and LPG engines. It provides economic and high performance in all weather and driving conditions with out any problems.

Usage

It provides economic and high performance in all weather and driving conditions without any problems.

Features

Prevent Formation of Sediment and Smut: While controlling the formation of sediments at high temperatures, it prevents the thickening of the oil while controlling the sediment control with the dispersant feature. It balances pressure. Maintenance costs are reduced.

High Foaming Durability: The engine is protected against foam formation by the foam cutting additive, so the engine is protected against wear.

High Heat and Oxidation Durability: while this product provides a long oil change interval, extends oil life. It provides easy oil flow in cold climatic conditions.

High Cleaning Feature: Thanks to detergent and dispersant within , cleans engine parts.

High Protection Capacity: Thanks to with corrosion additives within prevents corrosion by forming a film on the metal surface.

Technical Specifications

*Kinematic Viscosity @100˚C, cSt	ASTM D 445	20.3
*Viscosity Index	ASTM D 2270	138
*Pour Point, °C	ASTM D 97	-21
*Flash Point, °C	ASTM D 92	222

**Data given above are typical properties and may vary slightly.*

Performance

API SG/CF - 4 ACEA E2 MTU TYPE 1 MAN 270

Revision Number

03.03.2026 / REV04
