

Pro MB 4T Scooter 10W40

Pro MB 4T Scooter 10W40 is a **100% synthetic**, high-performance scooter engine oil specifically developed for 4-stroke scooters and maxi scooters. With the latest additive technologies, it provides maximum engine protection and optimum fuel efficiency in the newest generation of modern 4-stroke scooters with start/stop features, whether in city driving or on long journeys.

Usage

This is a fully synthetic engine oil that can be used in all scooters where the use of oil meeting API SN/SM/SL and JASO MB standards is recommended.

Features

High Heat Resistance: Specially formulated for high-performance motorcycles that withstand high temperatures.
Fuel Economy: Provides unique engine protection and economy in all climate and usage conditions.
Advanced Technology: Thanks to its fully synthetic structure, it provides excellent engine protection against risks that may occur at high speeds.
Superior Efficiency: Provides greater resistance to extreme heat and oil thickening for maximum efficiency.
